Dear Reedham families,

We are delighted to share with you more detailed information about our Friday afternoon enrichment offer for autumn 2 term. Please read the information carefully, if you have any further questions, please do not hesitate to contact Miss Spaul.

### Booking your child's sessions

The sessions are now open – and can be booked via Arbor on the parent app for the period Friday 7<sup>th</sup> November 2025 to Friday 19<sup>th</sup> December 2025.

This booking period will close at 15.15 on Friday 26<sup>th</sup> September.

We understand that some families may not need all Fridays, you can choose specific days but, if you are unsure of your requirements, please request a place - it is better to book and then withdraw, to avoid disappointment.

**Please note Squirrel nursery children's hours will be unaffected by this change. You do not need to book sessions via Arbor for Friday afternoons. These sessions should be booked in the usual way, through the school office.**

### P.E days

- Heron and Owl class P.E slots have swapped; Tuesdays – Otters  
Wednesdays – Herons  
Thursdays – Owls
- We request that children no longer come into school in their P.E kits – these should be named and brought to school in a bag. This bag will be kept on their peg and can be taken home again at the end of the day/week. This change is to support children's learning of responsibility, organisation and fine motor skills.
- All subjects now happen as weekly lessons rather than historic stand-alone subject days of R.E and Design and Technology – this is to ensure children's learning can be revisited and embedded in small steps across the year.

### Friday afternoon routine for Reception, Herons, Owls and Otters

We would like to remind families that there is a parent meeting hosted by Debbie Thomas and Beth Spaul on Thursday 25<sup>th</sup> September 2025 at 15.30pm. After school care will be available but please be aware there are limited spaces and these must be booked in the usual way. If you prefer to meet us [online please join this link](#). If you have any questions and cannot make the meeting, you may wish to share these in an email to Miss Spaul: [b.spaul@consortiumtrust.org.uk](mailto:b.spaul@consortiumtrust.org.uk). We will also transcribe the meeting to be shared as minutes, later that week.

We would like to thank the parents that have both supported and challenged the development of the trial. We hope that you feel that your questions have helped to enhance the process and that the information we have shared has helped to ensure this transition in routine is smooth and supportive.

We look forward to welcoming parents to the meeting next week.

Kind regards

Team Reedham
