

Accessibility Plan

1. Aims of the Accessibility Plan

Academy trusts are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

The Accessibility Plan should be reviewed every three years.

The Accessibility Plan will be made available online on the Trust's website, and paper copies are available upon request.

Each establishment within the Trust is required to adapt the Plan according to its circumstances.

Ethos of the Trust

The Consortium Multi-Academy Trust aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

We strive to provide quality, inclusive education for our children in all our schools at the heart of our communities, working as confident individuals, in friendship and partnership. Together, we believe in providing exceptional opportunities that allow each of us to flourish, nurture our creativity and, by developing our talents and challenging our understanding, become the best that we can be.

Each school is a fully inclusive school that ensures all pupils achieve their best personally, socially, emotionally and academically in all areas of the curriculum (regardless of their gender, ethnicity, social background, religion, sexual identity, physical ability or educational needs). Every teacher within The Consortium Multi-Academy Trust is a teacher of every child, including those with SEND.

2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils.

3. Action plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.

The information set out in the column of 'current good practice' are examples to guide your own analysis of your current practice. They are not a thorough representation of good practice, and should be adapted to suit your school's context.
