## ☀️ Heron Class Autumn Term Newsletter ☀️

Welcome back!

We hope you had a wonderful summer. Mrs Woodards and I are very excited to start the new school year, and we have lots of fun learning planned for all the children.

### Key Information

- **PE Day** is every Thursday – please can you send you child/children to school wearing their PE kit:
  - House-coloured T-shirt
  - Black shorts/jogging bottoms
  - Black hoodie/jumper
  - Trainers (velcro unless they can confidently tie and untie their laces)
- **School Times:** The school bell rings at 8.30am and children will line up ready to come into school. We release the children at 3.15pm from the black gate (which leads to the school office).
- Your child will need to bring:
  - Named water bottle
  - Pair of slippers for the classroom
  - Pair of wellies (optional)

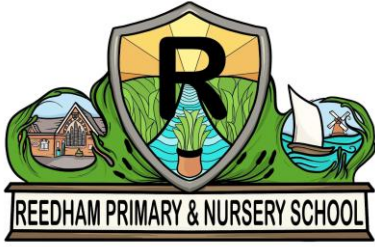

Please avoid bring in big bulky bags if you can as we really struggle for storage space in Heron Class
- Please make sure all clothing and belongings are clearly labelled – we always try to return lost items but this is much easier when things have their names in!

### Homework

For their homework each week, children are expected to:

- Read at least 4 times
- Spend 25 minutes on Numbots
- Complete 25 questions on Sumdog (Year 1s will be set up and shown how to use the programme in the first week back)

✓ Thank you for your support with this – it really helps your child's progress!

### Our Learning This Term

**History – Kings, Queens and Castles.** We will be learning what Kings and Queens do and why they built castles to live in

**Geography – Weather and Climate.** We will be learning about different types of weather, both here in Reedham and around the world.

**Science – Animals, including Humans:** We will be learning about different groups of animals, as well as learning important words such as carnivores, herbivores, and omnivores. We will also be learning about different body parts and senses.

**Computing** – We will be learning about everyday technology around us and online safety.

**RE** – We will explore the question: **Why is light important for Christians, Jews and Hindus?**

**Design & Technology – Mechanisms:** We will be designing and making a vehicle for an Elf.

**Art – Monochromatic** – we will be creating art using just one colour.

**Music** – We will be learning about **Rhythm, pitch and tempo.**

**MFL** – We will be learning some French greetings.

**PSHE – Aiming High & Zones of Regulation.** We will be learning about how we should always try our best and how to deal with things when we find them difficult.

**School Value – Responsibility.**

**PE** – We will be learning skill to help us play **Invasion games** as well as learning **dance.**

✨ We are looking forward to an exciting term of learning, creativity and fun! Thank you for your continued support. If you have any questions or queries, please do not hesitate to email me on [s.bethell@consortiumtrust.org.uk](mailto:s.bethell@consortiumtrust.org.uk)

Best wishes,

Mrs Bethell & Mrs Woodards
